**HIGHWAY SAFETY COMMITTEE MEETING AGEND**  
**Monday November 22, 2021**

- Future roadway & parking improvement projects
  - a. Alpine Court realignment and relocation of watering trough. Safety vs location of historic statute.
  - b. Harbor Parking Improvements (potential project) & recreation court(s).
- Route 11 speed limit/Roadway Safety Audit/Mt. Royal Academy
  - a. Route 11 speed limit vs site distance (reduce speed limit = reduced site distance requirements)
  - b. Alternate access via old Route 11 to Old Grandliden Road
  - c. Westbound deceleration lane on Route 11
- Route 11 Improvements Plan/Veterans Field Improvements
  - a. Veterans Field Improvements Plan increased parking to 20+/- spaces.
  - b. Revised plan approved by Recreation Committee reduced parking to 12 spaces.
  - c. Route 11 plan created approximately 80 parallel parking spaces.
- Roadway/Parking Lot Striping Schedules
  - a. Parking Lots to be striped every 2-years. Roadway centerlines to be striped every year.
- Pavement Management Plan Update
  - a. This year's projects completed per plan.
  - b. Question: Could we consider sidewalks or multi-use lane on Lake Avenue and/or Jobs Creek Road?
- Future Gravel Road to Paved Road Improvements
  - a. Discuss paving priorities (top 3) based on current safety issues for developing the plan.
